

Turn Europe
into
A force for Safety
A chance for our jobs

The concept of Integration

- From Ground to unlimited
- Civil Military
- Control, Training & Support.

Ongoing Work

- Birth: March 2006
- First phase (summer 2007).
 - Build and raise awareness
- Second phase just began
 - Framework document.
 - (Operational, technical, financial, environmental, institutional, HR)
 - Work with PRC - Study ongoing FABs.
 - Explain the project at European commission, states and Eurocontrol
 - Two days meeting / month

Main issues.

- Social issues
 - Analysis of Eurocontrol status
 - Drafting of a set of GTOC.
- International Organisation
 - Established on basic principles
 - Ensure highest bundling of services.
 - Governance structure.
- Communication
 - Website
 - Release of specific publications.

...*what next ?*

- **Politic action**

- *Prompt states to commit.*

- **Economical aspect**

- Define areas where MOSAIC is going to be costly
- Define areas where this will be counterbalanced.

MOSAIC
MAKE THE SKY A SAFER PLACE
